**Marshall slip, trip and fall injuries, from most to least frequent, are sprains, bruises, abrasions, strains and fractures**

## Venture Crew needs volunteers

Marshall's Education Programs Department needs volunteers to work with high school students in the NASA Marshall Venture Crew. Venture Crew, whose participants are interested in learning about NASA and careers in science and engineering, is sponsored with the Greater Alabama Council of the Boy Scouts of America. Students do hands-on projects with NASA scientists and engineers, tour Marshall and participate in other activities. Anyone interested in working with Venture Crew should call Tammy Rowan at 544-8706.
